CTC RULES FOR SAFE PLAY

- **Please comply with all physical and social distancing measures, including staying 2 metres away from other people, washing hands frequently, and sneezing/coughing into your elbows.**
- **Each player brings and handles only their own tennis balls.**
- **Bring your own drinking water and hand sanitizer.**
- **Avoid touching any common spaces including the gates and nets.**
- **Courts are for members only. Please register and pay on our website.**
- **Stay home if you are not feeling well.**

Please follow these rules or you will be asked to leave.

Our primary concern and interest is the safety of all individuals. These rules outline what is permitted under Government easing guidelines. The situation with COVID-19 is constantly changing so expect that these rules will continue to evolve. By following these rules, you will help ensure the courts remain open for play.
